SHERWOOD AUSTRALIAN COLLECTIONS

7. **1913-36, 1927-1936, 1937-52, 1953-65** I have never owned the earlier beautifully printed editions of these special folders. Lots of the decimal ones turn up however the pre-decimal include a lot of expensive stamps. 1913-36 is a used set, simplified Kangaroos to 5/- (14 different) and KGV (23) simplified one of each value including 4d Lemon all lovely fine examples. It does include a 6d Engraved Kookaburra CTO and spaces for the higher values. Commemorative KGV 1927-36 is complete very fine used including 1928 Kookaburra miniature sheet, 5/- Bridge, Macarthur, Jubilee, Anzac etc. all complete very fine used (*Cost the owner \$995). 1937-52 comes with two lovely folders, all simplified but complete Robes is Thick paper and 3d Blue KGV1 is Die 1, Arms MUH etc. so complete simplified for the period. 1953-65 again in two lovely folders, simplified complete MUH. Navigators is a MUH set of 6. 4 folders to complete the period. A lovely way to collect a complete simplified set of stamps from 1913-65 albeit with the high value Kangaroos missing however they can simply be placed in the designated spaces at a later date. These cost the buyer many thousands of dollars however the complete set above as listed including all the stamps as listed (4) sets of folders— stamps alone would be more than \$1,200++ at my discounted prices and certainly a collectors item in this attractive format, the entire set is in excellent condition.....**\$899.00**

8. **1966-70, 1971-5, 1976-80** Sherwood Australian Collections often bought to compliment the yearbook collections. All stamps mint unhinged and complete for the period beautifully presented, all three folder in excellent condition (*purchase price was \$745).....**\$199.00**
